REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR, 1928.

The Board of Management have the pleasure to submit their Annual Report for the year ended 31st December, 1928.

Average number of beds occupied daily at the Whitstable and Tankerton Cottage and Convalescent Hospital by patients sent from this Hospital		8	*1

* No patients were sent to the Whitstable Hospital from February to September inclusive.

Out-Patients.

New Cases of all kinds	4946	6735	7506
Total attendances of all Out-Patients	25568	29188	31339
Average total cost of each Out-Patient attendance	1/8	1/8	1/5
Average total cost of each Out-Patient	8/8	7/6	5/10
Total estimated cost of Out-Patient Department	£2135	£2525	£2185

During the year 1928 the number of In-Patients admitted was 1760, a decrease of 79 from the figure for 1927. This is due to the fact that in the early part of the year the Board decided that on financial grounds the transference of cases to the Whitstable Hospital should be suspended. Later in the year the Board agreed to make use of not more than two beds at any one time at the Whitstable Hospital until the end of the financial year, when the question would again be considered. This curtailment necessitated certain cases which might have been transferred to Whitstable remaining for a longer time in this Hospital, thus somewhat reducing the number of patients it was possible to admit. It is, however, interesting to note that the number of patients admitted in 1928 exceeded by 169 the number admitted in 1926.

The beds have been more fully occupied, the average daily occupation for the year being 97.8, the highest figure yet recorded.

The classification of In-Patients for the last three years is shewn below:—

	1926	1927	1928
Patients presenting Boxholders' Certificates	887	923	878
Ditto Letters of Recommendation	374	369	348
Emergency Cases	168	238	171
School and other Public Authority cases ...	97	128	151
War Pensioners	6	3	2
Members of Hospital Staff	12	60	24
Guardians' cases	17	26	27
Miners and dependents	27	92	159
	1588	1839	1760

The number of Out-Patients in all departments totalled 7,506, an increase of 771 on the previous year, whilst the total number of Out-Patients' attendances was 31,339.

In common with all other Hospitals increased work has been caused by cases brought to the Hospital as the result of motor accidents. During the year 175 cases were dealt with in the Out-Patient Department as the result of such accidents, and of this number 77 were admitted as In-Patients. Based on the average cost per patient the cost of these cases amounted to £617.

The Board, while not unmindful of the difficulty of solving the problem of motor accidents as affecting Voluntary Hospitals, hope that steps may soon be taken to mitigate the burden at present imposed upon such Hospitals and consider that legislation to make insurance compulsory should be the first step.

Further particulars of Out-Patients are given in the following table:—

	1927 New	1928 New	1927 Old	1928 Old
General Medical and Surgical	1450	1381	2826	2578
Ear, Nose and Throat	167	399	453	523
Ophthalmic	722	777	863	716
Orthopædic, Massage & Electrical	523	511	9324	7552
Artificial Sunlight	—	77	—	2184
X-Ray (Skiagraphic and Therapeutic)	791	882	468	435
Dental	779	916	537	661
Casualties	2303	2563	7982	9184
	6735	7506	22453	23833

There has been an increase in the work of the X-Ray Department, 271 In-Patients and 882 Out-Patients being dealt with, making a total of 1,153.

The number of films exposed during the year totalled 2,859 as against 2,645 in 1927 and 1,966 in 1926.

During the year a Carbon Arc Lamp has been added to the equipment of the Artificial Sunlight Department and 2636 treatments have been given. The establishment of this Department in the Hospital has been a decided acquisition and has resulted in considerable economy.

Another valuable acquisition to the Hospital has been the establishment of a Pathological Laboratory and much good work is being done in this Department by Miss Hilda M. Garlick, M.B., B.S., L.R.C.P., who has been appointed Honorary Bacteriologist and Pathologist. Although the Department was not started until the Autumn, already 124 examinations have been made.

There has been such a heavy call upon the services of the Private Nursing Staff that it has not always been possible to meet the demand. The two District Nurses have been fully occupied, having paid 8,216 visits during the year as against 7,764 the previous year.

CHANGES IN THE BOARD AND HONORARY STAFF.

Under the laws of the Hospital the Archbishop of Canterbury on his resignation from office, ceased to be Patron of the Hospital. The Board desire to place on record their sincere appreciation of the help Archbishop Lord Davidson so willingly gave to the Hospital whilst associated with it as its Patron.

The Board are happy to state that the present Archbishop has honoured the Hospital by accepting the invitation to become its Patron.

The Board received with regret the resignation of Sir Robert Gardiner as a Vice-President and take this opportunity of expressing their appreciation of the support he gave the Hospital during the period he was associated with it.

Mr. S. Peach, of Aylesham, has been elected to fill the vacancy on the Board of Management caused by the resignation of Mr. F. French.

During the year the Board made an additional appointment of Assistant Physician to the Honorary Medical Staff and Dr. C. J. Rogerson, of Canterbury, was elected to the post.

Mr. E. D. Whitehead Reid has resigned the post of Honorary Radiologist as he was of opinion that the time had arrived when the duties of the post should be carried out by someone who devoted his whole time to the study of Radiology. The Board have expressed to Mr. E. D. Whitehead Reid their appreciation and thanks for his valuable services to the Hospital during the 17 years he held the post of Honorary Radiologist.

The Board have received with regret the resignation of Mr. C. P. Wilson, Honorary Surgeon to the Ear, Nose and Throat Department, owing to the fact that the work of the Department had increased and that it needed more time than he could give to the duties. The Board have expressed to Mr. C. P. Wilson their thanks for his valuable services during the two years he was a member of the Honorary Medical Staff. The post has been filled by the appointment of Mr. T. A. Clarke, M.B., Ch.B., D.L.O.

PROPOSED NEW HOSPITAL.

At a special meeting of the Governors, held in the early part of 1928, it was decided that the Board should take steps to launch an appeal to the public for the necessary funds to build a new Hospital on the South Canterbury site. Owing, however, to an unforeseen legal uncertainty having arisen in connection with part of the Hospital endowments, the Board thought it wise to delay making the appeal until the legal position of the Hospital had been definitely ascertained. This has now been done and the Board have decided to launch the appeal without further delay, and steps are being taken accordingly.

FINANCE OF THE HOSPITAL.

The excess of Income over Expenditure for the year was £215/19/4, whilst the Books show an overdraft at the 31st December of £2,433/5/10.

The result of the year's working may be regarded as satisfactory, the income having increased and the expenditure decreased.

The reduction in expenditure is largely due to the following reasons:—(1) The policy of the Board in reducing to a minimum expenditure on the buildings in view of the decision of the Governors to build a new Hospital, and (2) the reduction in the use of the Whitstable Hospital beds as previously mentioned in this Report.

Whilst there has been a slight increase in the amount of Annual Subscriptions it is felt that the income from this source leaves much to be desired and steps to increase the number of Annual Subscribers are contemplated.

The Propaganda Committee raised for the Hospital during the year the record sum of £7,800. The thanks of the Board and further reference to the work of the Propaganda Committee are expressed in another part of the Report.

In addition to the legacy shewn in the Income and Expenditure Account, the following sums were also received from this source and invested:—

Executors of Mrs. J. A. Rogers ...	£100/0/0
Executors of Miss Mary E. Noakes	£96/4/11 (residue of estate).

Our anonymous donor has again contributed the sum of £100, and the Board take this opportunity of expressing their deep appreciation of and thanks for his continued generous support.

The Egg Appeal in the Spring was again a great success, over 15,000 eggs being received. The Board are grateful to all who contributed to the success of this appeal and especially to the ladies and gentlemen who so willingly and efficiently organised districts.

The amount paid for Rates, included under the heading of Finance, has increased by £30, due to the increased assessment.

The amount would have been much larger had it not been for the fact that the Board appealed against the re-assessment figure of £864, and as the result of the appeal conducted by Mr. Gerald Kingsford, Solicitor, in conjunction with Mr. Gerald Eve, Surveyor, the assessment was considerably reduced.

The following is a comparative statement of Income and Expenditure for the years 1926, 1927, and 1928:—

NURSING AND ADMINISTRATIVE STAFF.

The Board are pleased to be able to report that the high standard of successes in the State Examinations has again been maintained. For the Final Examination six sat and five passed. For the Preliminary Examination 14 sat and 13 passed. It speaks well for the training the Nurses receive at the Hospital, that the percentage of passes considerably exceeds the average percentage throughout the Country.

The training of the Nurses has undoubtedly reached a very satisfactory state of efficiency, and the increasing popularity of the Hospital in this respect is shown by the fact that there are more applications for the post of Probationers than there are vacancies. There is therefore a Waiting List of Probationers from which vacancies are filled as they occur.

On his removal to Walmer, the Revd. C. F. Tonks resigned his Chaplaincy of the Hospital, and he has been succeeded by the Rev. R. G. Cooper, the new Rector of St. George's Church, Canterbury.

HOSPITAL PROPAGANDA COMMITTEE.

The members of the Propaganda Committee have continued their valuable work and have handed to the Hospital during the year the record sum of £7,800. The total amount raised for the Hospital by the Propaganda Committee has now exceeded £50,000, and the Board desire to place on record their grateful appreciation of the great work performed by Major H. G. James, his Committee, and band of workers in raising so large a sum.

It is gratifying to know that so many of those who were identified with the work of the Propaganda Committee at its formation are still associated with it, and retain their zeal in the work of helping to raise annually the necessary funds to keep the Hospital at its present state of efficiency.

SERVICES TO THE HOSPITAL.

The Board wish to express their indebtedness to the members of the Honorary Medical and Surgical Staff for the excellent services they have again rendered.

Many times during the year the advice and help of our Honorary Solicitor, Mr. C. E. Kingsford has been sought and the Board are very grateful to him for the assistance so willingly given.

At the end of the year, Mr. Kingsford retired from business and the Board have expressed to him their sincere thanks for the valuable services he has rendered to the Hospital in a legal capacity during the many years he has been associated with it.

The thanks of the Board are also due to Mr. H. M. Biggleston, Honorary Consulting Engineer, Mr. W. S. Willan, Honorary Architect, Mr. S. W. Bligh, Honorary Radio Engineer, and Mr. C. A. Blascheck, Honorary Consulting Electrical Engineer, for the services they have rendered.

The Board acknowledge the excellent work again performed by the members of the Linen League and the Committee of the Samaritan Fund, and thank them for their continued activity.

The Lady Visitors have also continued their good work and the Board are grateful to them.

In conclusion the Board desire to tender their thanks to the ex-Mayor and Mayoress, Alderman G. R. and Mrs. Barrett for the interest shewn by them during their year of office, also to the Press for their helpful reports and to all who have in any way furthered the interests of the Hospital.

HARRY G. MOUNT,
Chairman.

OPHTHALMIC DEPARTMENT.

The above table gives a statistical return of the work done in this Department during the past four years. It will be seen that the average number of Out-patients, more especially the new cases, remains fairly constant and this in spite of the fact that during the past two years a certain proportion of cases which formerly would have made use of the Hospital, obtained Ophthalmic Benefit under the National Health Insurance Scheme.

The number of In-patients shows a steady increase with a corresponding increase in the number of operations performed.

REPORT.

The Committee in presenting their annual report have once more to acknowledge gratefully the success which has attended their work during the past year.

During the past year the sum of £8,453/3/11 has been collected, of which £7,800 has been paid over to the Hospital. The following comparative statement shows the progress of the fund.

1921 ...	£2,250.	1925 ...	£7,300.
1922 ...	£4,800.	1926 ...	£7,100.
1923 ...	£5,500.	1927 ...	£7,500.
1924 ...	£6,000.	1928 ...	£7,800.

To this total must be added the money collected for the provision of ambulance and garage, the cost of installing a Wireless apparatus and the special effort made for the Whitstable Hospital and the special effort made for the Whitstable Hospital and Convalescent Home building fund.

There is no need to emphasize the generosity of the supporters of the fund or the enthusiasm with which a very large number have worked in order to lessen human suffering.

Whitstable Hospital and Convalescent Home.

Our supporters provided £3,000 in order that this institution might be available for the aftercare and convalescent treatment of patients from our own Hospital. Owing to the demands on accommodation the medical staff are constantly obliged to discharge patients sooner than they would wish in order to admit cases of greater urgency; the result is that those discharged are unable to get the care and treatment that they ought to have. Especially is this true in homes where accommodation is limited if not inadequate, and where there is no margin of income over expenditure.

The Whitstable Committee added 10 beds to their scheme of accommodation, at our suggestion made through the Board of Management. Owing to financial stringency, however, it was decided to discontinue sending patients from our hospital for after care treatment, but two beds have since been re-opened.

Festival Committee.

The record of the Household Box scheme must be a source of pride to all connected with it, but we have not increased, nor indeed have we attempted to increase the number of those who can afford to give annual subscriptions of substantial amounts. Your Committee were of opinion that an effort should be made

to increase from this source the permanent income of the Hospital before embarking on the erection of a new Hospital.

Steps were taken to organise a Festival Committee with the object of securing fresh subscriptions, and an organising Secretary was appointed. As we understood that the Board of Management decided to issue an appeal for £100,000 to build the new Hospital on the site which had already been secured your Committee therefore decided to abandon the proposal for the Festival. We had reason to hope that the Organising Secretary, Mr. Duffas, who came to us with high credentials, would succeed in the undertaking. He was, however, only able to organise the annual Fete and other events which, having secured the support of many willing helpers, he did with considerable success. The result of his activities have more than covered the expenditure involved. He is now in charge of the Oxfordshire appeal for the enlargement of the Radcliffe Infirmary.

The history of the past year has been marked by many successful events. The Fete held on June 22nd and 23rd organised by the Committee of which Major Hepburn, D.S.O., was Chairman, was as we have just said a great success; the County Balls organised by Lady Northbourne were largely attended; the Flag Days arranged by the Mayoress, Mrs. G. R. Barrett, on St. George's Day, Ambulance Day and Rose Day were successful; and a Church Parade in the Cathedral, as well as the Drumhead Service on the Dane John arranged by the Canterbury and District Amalgamated Friendly Societies were, we hope, fruitful in results. Whist Drives were promoted by the Canterbury Butchers' Association and by the Felix Dance Orchestra, at Teynham by Mr. Read, at Sandwich by Mrs. Cryer, at Harbledown by Mr. Fagg, at Waltham by Mrs. Monger.

Mr. Dagnall, at the request of Mr. Mattocks, kindly opened Hales Place so that those who wished might in return for a small entrance fee visit this ancient property which is now being developed for building purposes. To all concerned our thanks are due.

Hospital Saturday Fund.

For many years Mr. Waters has acted as Secretary of the Hospital Saturday Fund and has been the means of providing a very considerable support for the Hospital. The pressure of other duties has compelled him to resign his office. The movement has been taken over by the Canterbury and District Amalgamated Friendly Societies which under the guidance of Mr. Waters and of Mr. York will we have no doubt continue its beneficient work.

Steps have been taken to develop the collection of tin foil which in other parts of the country has proved to be a lucrative source of income.

To all who have worked and worked hard to help the Hospital our thanks are due; to the Press for their unfailing support as well as to those firms of carriers who arrange for the free distribution of Hospital Boxes.

Finally we have to express our acknowledgments to a very large company of Friends of the Hospital known and unknown for keeping its needs before the notice of the generous public. Their reward is found in the consciousness that they have helped to reduce the mass of suffering.

We have to announce with regret that Lt.-Col. Irby, O.B.E., has resigned his Vice-Chairmanship, and Mr. Mount, J.P., and the Rev. H. Oswell, B.A., have found it necessary to resign their seats on the Executive Committee. We take this opportunity of thanking them for their services; before the Hospital Box Scheme became well established Lt.-Col. Irby and Mr. Mount rendered considerable help. Further we regret to announce that Miss Aylett, of Bredgar, Miss Cooper, of Westbere, Miss Chambers, of Wingmore, Miss Fuller, of Hoath, Miss Marshall, of Boughton, Mrs. Young, of Minster, have resigned the office of Hon. Representative in their several districts. The Committee desire to place on record its appreciation of their work. Mr. Arnold, the Chairman, and Mr. Pettyfer, the Hon. Secretary, of the Westgate Ward Committee have also resigned, and to them our thanks are due. Mr. Rigden has been appointed Chairman of the Westgate Ward Committee; Mr. H. J. Cooke, of the Ancient Order of Foresters, the Rev. S. Evans, Mr. H. Cooper and Mrs. White have joined the Executive Committee. We look forward with confidence to the services they will render.

Lastly, we have to record the fact that Miss Edith Curling has been appointed Organising Secretary to the Committee which has been set up to collect funds for the Hospital at Rochester, and Miss Ida Curling is voluntarily giving her assistance. We desire once more to acknowledge with gratitude the great services they rendered to this organisation and to express the hope that in their new work success will crown their efforts.

Miss E. Honey has been appointed Secretary in place of Miss Ida Curling and the Committee look forward with confidence to the valuable help which she will give to the work of this organisation.

H. G. JAMES,
Chairman.

The Committee desire once more to place on record the great services which our Chairman, Major James, has rendered in the course of the past year.

REPORT

OF THE

Kent and Canterbury Hospital Linen League

FOR THE YEAR 1928.

President:

THE HONBLE. MRS. WILFRID JAMES.

Committee:

MISS MABEL PLUMMER.
MRS. S. H. WILLIAMSON.
MRS. WHITEHEAD REID.
MRS. FELLOWS.
MRS. H. G. MOUNT.
MRS. HEPBURN.
THE VISCOUNTESS BROOME.
MRS. KENRICK.
MRS. HAROLD WACHER.
MRS. MACKAY.
MISS PURCHAS (Matron).

Hon. Secretary and Treasurer:

MISS A. A. RUSSELL, M.B.E., BARTON COURT, CANTERBURY.

The President and Committee of the Kent and Canterbury Hospital Linen League have pleasure in presenting their Sixteenth Annual Report.

In January the President, the Honble. Mrs. Wilfrid James, was nominated by the Committee as the representative of the Linen League to serve on the Hospital Board of Management for 1928.

The Annual General Meeting of the League was held on May 25th. Lord Northbourne presided. Owing to the unavoidable absence of the President, her place was taken by the Viscountess Broome. Mrs. Harold Wacher and Mrs. Mackay were unanimously elected to fill the vacancies on the Committee caused by the resignation of Mrs. Sidney Wacher and Mrs. Williams, who retire by rotation. The gifts of linen were on view.

The necessary renewal of linen, etc., for the Bell Ward was undertaken on behalf of the Trustees of the Bell Estate.

The annual County Ball held on December 14th again proved a success, and in spite of the increased expenditure necessitated by various circumstances, £95/1/4 was cleared.

Return showing the Districts from which Patients were received in 1928, and the amounts subscribed or collected in those Districts during the Year.

N.B.—Amounts paid for patients by Public Authorities are not included in this list.

Owing to the holding of an annual Ball, the Committee was able, in May, to invest £200 in 5 per cent. War Loan. When the new Hospital sanctioned by the Board of Governors is completed, the call on the Linen League for the equipment of additional beds is bound to be heavy, and the Committee feels that it is right to build up a capital fund to meet this demand when it arises.

In the meantime the wear and tear of the linen and blankets in use continues to be heavy, and the necessary renewals for 1928 have been supplied, as usual, by the Linen League, the present equipment of linen being kept up to a very satisfactory standard.

The Committee desires to say that gifts of silver paper or tinfoil will be gratefully accepted, though they do not wish to interfere where these are being collected for the benefit of other good objects.

Each year vacancies occur among the supporters of the Linen League, and it is hoped that new members may come forward to fill the gaps caused by the loss of old and valued friends.

The Committee wishes to apologise for any mistakes which may occur in their report, such as the spelling of names, or printing details of the gifts of linen. They earnestly hope that the Secretary may be told of any faults that are noticed, as they can then be corrected in next year's report. The greatest care is taken, but with the best intentions errors occur.

The Committee thanks every member of the League, old and new, and assures them that their help and support is greatly appreciated by their President, and all connected with the Hospital.

(Signed) MARGARET JAMES,
President.

REPORT FOR 1928.

The work of the Samaritan Fund shows a steady increase both in number of cases helped, and in the variety and scope of the help given. We have been able to make an arrangement with the Whitstable Convalescent Home, by which we can send there such cases as require more attention than the ordinary Convalescent Home is prepared to give. This in some degree compensates for the fact that owing to financial reasons our Hospital has been obliged to restrict its use of the Whitstable Convalescent Home for the present. A total of 87 cases were helped against 62 in 1927. Of these, 52 were sent to Convalescent Homes. In many cases they contributed substantially towards their expenses.

We would like to acknowledge gratefully the help that we receive from the Eversley Home, which has taken three of our younger children for longish periods, and which makes no charge. The Home, which is financed and run by Miss White's school, "Eversley," is ideal, in its position—close to the beach at Hythe—and its equipment and staff. The children come back improved in body and mind, and radiantly happy. Another Home with which we have had some connection this year is the London Girls' Club Union Convalescent Home at Herne Bay. This Home is glad to take our patients during the less busy months, and being smaller and less "official" than some of the larger Homes, suits certain patients better. We dwell on these different types of Homes, in order that our subscribers may realise that the work of the Committee is carried on in no mechanical fashion, but that the individual needs of every patient are considered, as far as possible. The following three cases, taken from among those helped during the year, will serve to illustrate the value of the Samaritan Fund's work as an adjunct to hospital treatment.

1. Mrs. A. with 5 children all under 11 years. Husband only earning 36/- a week. She was sent to Birchington after a very severe operation and restored in a great measure to health, and able to take up her home duties.

2. Mr. B., a labourer with 7 children, in a very run down condition after a carbuncle, and unable to work, was sent to St. Andrew's Folkestone, where the sea air and good food worked wonders, and he is now quite fit and in regular work.

3. C. D., a lad of 17, with no home, had been placed by London guardians in a situation as Kennel boy in the country. After an operation for removal of tonsils, was in a very weak condition, and quite unfit to return to work. When discharged from Hospital, he was sent to a Convalescent Home for one

month, and became quite strong. He went back to work and is doing well.

In addition to those helped to convalescent treatment, the usual needs have been supplied: surgical instruments, dentures, glasses, and even an artificial eye. Six patients have had help with travelling expenses when going a distance for special treatment, or for consultation with a specialist. One has had extra nourishment for some weeks. In eight of these cases we have co-operated in our assistance with the Canterbury and Alford Aid Association.

The Committee unanimously agreed to vote an honorarium of £10/10/0 to Miss Stead, as acknowledgment of her untiring and competent help in their work. Not a little of the successfulness of this work depends on the organisation of the help required. Often the patients can find the money, they need plans and arrangements to be made, encouragement to venture on convalescent treatment even at the cost of postponement of return to their homes. Or perhaps the help of having their claim adequately presented to their insurance company. In all these things Miss Stead is a tower of strength, and to her, and to our Hon. Secretary the Committee wish again to record their grateful thanks. We are also very grateful to many kind people who have motored patients from Hospital to the different Convalescent Homes. Those who have ever felt shaky after illness will appreciate the difference between going from door to door in a comfortable car, and catching a 'bus or train for their destination. Our special thanks in this direction are due to Mrs. Silas Williamson, Miss Hooker and Miss Patterson. We should be glad of further offers of occasional help of this kind.

Mrs. Holland's working party has again produced valuable additions to the Hospital wardrobe. 122 garments were handed to the Matron, including 16 nightgowns, 9 pairs of pyjamas, etc. The cost of the materials, £9/17/4, was largely defrayed by Mrs. Holland herself.

During the past year the Committee has been engaged in drafting a set of Rules for the government and administration of the Samaritan Fund. They gratefully acknowledge the labour put into this task by Mr. Rivaz, to whose experience and wisdom their form and content is due. These will be presented to the Annual Meeting in February, 1929.

The Subscribers' Meeting was held at the Hospital on Wednesday, March 21st, 1928. Mr. Eric Pearce Gould, F.R.C.S., most kindly came and gave a stimulating address on "The work of the Samaritan Fund and the Hospital Problem to-day," which provoked an interesting discussion. In addition to a good number of subscribers the Committee were encouraged by the presence of several members of the Board of Management. Tea, given by the Committee, was most kindly arranged by the Matron and staff to whom our thanks are due.

Our Balance Sheet shows a prosperous state of affairs. We continue to show a substantial balance in spite of the increase of our work during the past year. In view of this increase, and of the increase in the numbers treated by the Hospital, the Committee feel justified in carrying this balance forward.

Our sincere thanks are due to Mr. J. L. Harper, who has again audited our accounts for us.

REGULATIONS FOR THE ADMISSION AND TREATMENT OF PATIENTS.

All Patients, whether In or Out, must bring either a *Boxholder's Certificate* or *a Governor's Letter of Recommendation.*

Persons insured under the National Health Insurance Act should bring with them a letter from a Doctor when seeking Out-Patient treatment.

A Boxholder's Certificate should be applied for to the Local Representative of the Hospital in the district in which the patient resides. It entitles the person named thereon to *free* treatment.

A Letter of Recommendation must be obtained from a Governor of the Hospital. In case of difficulty, the Vicar of the Parish may be able to help.

War Pensioners must bring the proper form of authority for treatment.

School Children suffering from Defective Vision, or Tonsils and Adenoids, should bring the proper form, which can be obtained from the Head Teacher of the School. A Boxholder's Certificate or a Letter of Recommendation may be used if the case is considered urgent.

When the parent of a School Child is a Boxholder, and he receives an account from the local Education Authority he should forward the account (together with a Boxholder's Certificate) to the Hospital, by whom it will be paid.

Out-Patients should attend as follows:—

General, Medical & Surgical Cases	Tuesday, Friday	10.30 a.m.
Eye Cases	Monday	1.30 p.m.
Ear, Nose & Throat Cases ...	Wednesday	1.30 p.m.
Dental Cases	Monday, Wednesday, Friday	4.30 p.m.
Orthopædic Cases	Wednesday	10 a.m.
Daily Dressings	8.30—9.30 a.m. daily	
Venereal Clinic — Men ..	Thursday	6 p.m.

Urgent Cases are Treated at Any Time, Day or Night.

PAYMENT must be made by all patients who do not have a Boxholder's Certificate (unless specially exempted by the Committee) as follows:—

Family income between £5 and £10 a week, not exceeding £3/3/0 week.

Family income £10 a week or more, £3/3/0 a week, and additional payment to the Physician or Surgeon.

(These patients are only admitted in case of accident or other exceptional circumstances).

A LETTER FROM A DOCTOR is useful for medical purposes, but in itself *it is not sufficient*, and a *Boxholder's Certificate* or a *Letter of Recommendation* must be brought, otherwise the patient may be sent back without treatment.

VISITING DAYS are Wednesdays and Sundays, 2—4 p.m. Visitors must on no account give any article of food or drink to the Patients. All such articles should be handed to the Sister of the Ward. The Matron has discretionary powers to disallow visits to children under 12 years of age, when this is considered necessary in the interests of the patient.

Patients will be seen by the Radiographer, subject to the approval of the Honorary Radiologist, when referred by a member of the Honorary or Resident Medical Staff.

The X-Ray Department of the Hospital is only for the benefit of such patients who are unable to pay the usual fee demanded by a Radiologist in private practice, and Medical Practitioners are specially requested to co-operate in the prevention of any abuse of the department.

For financially suitable Hospital cases the following charge will be made:—

A patient bringing a Letter of Recommendation to pay not more than 5/-.

A patient with a Boxholder's Certificate to be free.

In order to assist the work of Practitioners in the neighbourhood who are not on the Staff, Patients may be sent to the Casualty Department with a written request for radiography which request shall be handed to the Radiographer by the Casualty Officer if he considers the case suitable.

The developed film will be posted to the Practitioner concerned who must return the film after use. A written report will only be sent if specially asked for. Under no circumstances will a film be shown or handed for delivery to the patient.

Unless the case is urgent, an enquiry should be made of the Secretary as to the time when the patient should attend for X-Ray.

THE

Kent & Canterbury Hospital

has ministered for 136 YEARS to the sick and suffering of CANTERBURY and EAST KENT.

The work of the Hospital has outgrown the present buildings, which are dilapidated, unsuited to modern requirements, and therefore unduly expensive to maintain.

A NEW HOSPITAL IS NOW NEEDED AND WILL COST £100,000.

The following figures show the growth of the work:

Year.	In-Patients.	Out-Patients.	Special Departments.
1794	89	85	None.
1844	635	1048	None.
1894	630	932	None.
1928	1760	7506	X-Ray, Opthalmic, Ear Nose & Throat, Dental, Orthopædic, Massage & Electrical, Artificial Sunlight, and Pathological.

A Hospital must be built capable of coping with the requirements of the large district which it serves.

Contributions to the New Hospital Building Fund are earnestly asked for

and may be sent to the Hon. Treasurer, New Hospital Building Fund, Lloyds Bank, Canterbury, or to the Secretary of the Kent and Canterbury Hospital.
